

NEW... a short trip around the world with **ROCOCO**

Fairy **Rose-Lise** is presenting a new illustrated story by Francine Deschamps

" BUT ... WHERE AM I ? "

ROCOCO the parrot on a journey around the world ...

a nice way to discover different cultures, environnement, animals, music...
different ways of life !

Technical notes: With each of heries (in french or in english) Fairy **Rose-Lise** proposes a few ways to prepare your kids for her presentation, if you wish to.

With her fairy tale set-up, accessories, music and dance Fairy **Rose-Lise** brings to you a story in which the children will participate. **" BUT... WHERE AM I ? "** ? While following a great blue whale ...two twin giraffes... a stormy monkey... a pink flamingo... **ROCOCO** discovers new native costumes, hears new music and learns to say hello in six different languages starting point ...PERU...**ROCOCO**'s homeland .

Bon voyage ! to all of you !

* Suggestions :

CRAFTS If you wish you can help the kids make their own animal masks ...

monkey, lion, sheep, flamingo, etc ...they could even make a parade... or

MAKE-UP decorate with washable pencils the children so they look like cats, birds, butterflies,... etc

After the presentation you will receive a drawing you can copy for every kid .
