" There is no more sugar in the forestnot even a spoonful !!! "

Preparing for the storytelling (suggestions)

CRAFT: If you wish to prepare your kids a few days before the story , you may have them make a mask of a squirrel, hare, turtle or fox or any animal of Québec or Nunavut or make an indian headband with feathers

or

MAKE-UP: Imagine a make-up for the day of the show ...like a fox, a hare, a squirrel or any other animal living here ...

Or face marks like some ancient Native people and feathers in their hair. The day of the show the children could parade with costumes and masks!

Hope to see you soon !
